

Why Our Faith In Christ Is Valid

1 John 5:6-10

- I. God validated our faith in Christ during Jesus' ministry on earth through the Holy Spirit (1 John 5:6-8).
 - A. God validated our faith at Jesus' baptism (Water).
 - B. God validated our faith at Jesus' death (Blood).
 - C. God validated our faith through the Holy Spirit during Jesus' earthly ministry and even today (Spirit).

- II. God's testimony about Jesus Christ is valid and everyone is responsible to accept or reject Christ (1 John 5:9-10).
 - A. If human testimony is valid, God's testimony is far more so (5:9a).
 - B. Believers have the internal testimony of the Holy Spirit (5:9b; Romans 8:15, 16).
 - C. Unbelievers who reject what God's Word says about Jesus Christ are calling God a liar (5:10).
