

## As For Me and My Family

Joshua 24:1-15

- I. Appreciate your Family History: Look for God's Faithfulness to this point in your life (Joshua 24:1-13).
- A. Location Determined: God moved Abraham and his descendants to Canaan (1-4).
  - B. Bondages Overcome: God brought Israel out of slavery when they cried for help (5-7).
  - C. Spiritual Battles Won: God gave Israel victory over the Amorites and over Balaam's curse (8-10).
  - D. Material Blessings Received: God gave victory over the Canaanites and gave Israel their land (11-13).
- II. Impact your Family's Future: Determine to Serve God instead of any other goal (Joshua 24:14-15).
- A. Making a Choice: Everyone chooses their true goals (24:14-15a).
    - 1. Will we worship God and serve Him faithfully?
    - 2. Will we refuse the goals of the unbelieving world?
  - B. Living "against the grain": We must be seriously committed to God and lead our families truly differently than the culture around us (Joshua 24:15b).
