**Special Speaker: Jim Turek**

Jim & Connie Turek are originally from Chicago. Open Door Bible Church is their home church. They finished their missionary training in 1983, worked on staff at the Missionary Training Center for 5 years, then became dorm parents with New Tribes Mission at an elementary school in Indonesia from 1988-91.

The Tureks have now been on staff at New Tribe Mission's Missionary Training Center (MTC) on Lake of the Ozarks in Missouri for over 20 years. The MTC equips believers for a career in cross-cultural church planting.

Jim teaches Christian Life modules and is director of the Outreach Program, which sends students into the community with the goal of sharing Christ with believers and unbelievers alike. He also runs sound for Chapel Praise Bands. Both Jim & Connie are on the Student Life Leadership Team and are student advisors/mentors. Connie is a Campus Photographer and a member of the Decorating Committee.

In their ministry, Jim & Connie seek to speak into the lives of the students the Person of Jesus Christ, and a life of serving Him in a land of new languages and cultures.

In addition to his ministry at the MTC, Jim is also the pastor of Lake Area Evangelical Church near Camdenton, MO.

The Tureks are members of Open Door and are supported by the church through the General Fund.
